## Child Friendly Church Awards

Education Sunday Service 2010

Sunday 31st January at Blackburn Cathedral

Over forty parishioners from all three worship centres, including many young people, were at the Cathedral, where our parish was awarded not one, but three **Child Friendly Church Awards**, one for each worship centre! They were presented by The Archbishop of Hong Kong, The Most Reverend Paul Kwong (*seen on the left*) who also gave the Address. The Bishop of Blackburn said the Blessing.

The awards were collected by parish representatives of the three Sunday schools, this year's Rose Queen, Emma Shepherd and her retinue, the St. John's crèche and the PCC Youth Committee, who arranged for the assessment across the parish last November. A framed certificate and a logo to celebrate and display outside each worship centre was given. Many thanks to all who travelled to Blackburn for the evening. The award is for three years, after which it can be renewed.
